

## Academic Programs

## General Education

General Education is a program of study that reflects Anderson University's foundation in the liberal arts and the value it places on providing some common learning experiences for all its graduates. The selection of courses has been developed to provide the essential knowledge, skills, and dispositions that lead to informed citizenship, service, wellness, and a foundation for continued learning. The exploration of knowledge and skills in these courses provides the framework through which students may see the connections and distinctions among the academic disciplines.

As a university, we recognize that students gain more when they invest more, and we place a high value on the engaged learner. Skills in communicating, thinking, relating, and wellness are cultivated by the general education program as well as many courses in the major. Our heritage as a Christian institution is reflected in courses focused on the Bible, Christ, and ethical living. Knowledge comes to us through many pathways. Knowing and valuing the different processes by which disciplines explore and interpret the human experience is an important part of learning.

Upon completion of general education, students should be able to:

- 1) Demonstrate goal-setting for and critical self-reflection of their experience as learners.
- 2) Demonstrate increasing abilities related to the skills of communication, critical and creative thinking, productive interpersonal relationships, personal health and wellness:
  - Communication Skills—writing, speaking, reading, listening in English; achieving basic competency in a second language; developing observation skills, and an awareness of aesthetics
  - Critical Thinking Skills—logic, quantitative skills, research, computation, problem solving, scientific method, and analysis
  - Interpersonal Skills—cooperation, teamwork, and collaboration
  - Wellness Skills—nutritional awareness, physical fitness, and healthy lifestyle practices
- 3) Demonstrate knowledge of Christian Scripture, a knowledge of Christian religious traditions, and the ability to evaluate Christian ethical values.
- 4) Demonstrate knowledge of the contributions of a variety of academic disciplines, and the ability to employ corresponding methods of inquiry:
  - Humanities (including literature and history)
  - Mathematics
  - Fine Arts
  - Social/behavioral sciences
  - Natural Sciences

## Art

### B.A. with a Major in Art

**Mission Statement:** The goal of the Art curriculum is to provide art students with a clear working knowledge of the visual arts as a form of communication, specifically enhanced through an understanding of formal elements and principles, creative visual problem solving, critical thinking skills, and an adept investigation of current tools and materials appropriate to each discipline. Graduating students will receive essential preparation to foster success in the professional fields, further their education at the graduate level, or continue independent creative production. The Art program is committed to providing the University community with direct exposure to artwork, emphasizing the study of art and art history in its historical and contemporary forms in order to broaden the intellectual contexts in which art is experienced.

A minimum high school GPA of 3.0 is required for admission into the art program. Students who have been accepted into the University but do not meet this minimum standard may enroll in art courses only if their cumulative GPA is at least a 2.5 following their first semester at Anderson University. Even if they are already accepted into the University, all transfer art students must apply for acceptance into the art program by submitting a portfolio and scheduling an application interview with a member of the art department. Transfer students must also have a 2.5 cumulative GPA to enroll in art courses. The department is responsible for determining which courses that are transferred in count as equivalent to required courses within the major.

All students enrolled in art courses are required to pay lab fees, which cover the cost of shared consumable materials provided by the Art Department. Fees vary in amount from course to course, and are included on the student's tuition bill.

All students who are pursuing a Bachelor of Arts in Art degree must submit work for review during the sophomore year. All students who plan to graduate with a Bachelor of Arts in Art must participate in a senior review and exhibition. Senior Reviews and exhibitions are scheduled twice a year at the end of the fall and spring semesters.

## Christian Theology

Recommended Course Sequence

### B.A. with a Major in Christian Theology

The mission of the BA in Theology is to educate students in the traditional theological disciplines (biblical studies and languages, theology, church history, etc.) so that the students will be prepared to (1) enter seminary, (2) pursue a graduate research degree, or (3) enter a career appropriate to a broad-based liberal arts educations (not necessarily within ministry). The Theology degree is a good program for students interested in scholarship.

No grade below “C” in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** Required non-REL courses include six hours in History (two from HIS 111, 112, 201, 202, 295), six hours in English Literature (two from ENG 201, 202, 205, 206, 213, 214, 215, 303), and three hours of Art History (preferably ART 231, but 232 is also open). Philosophy courses are encouraged, but not required. The sequence of REL 312 and REL 322 can be completed (though not in one’s first year) to meet a student’s language requirement. The Theology Major includes REL 201, 203, and 491. Majors also must take an additional 30 hours in upper level (300-400) religion courses, including the following distribution: (1) Students must choose two of the following: REL 330, 350, and 495, (2) students must complete twelve hours in Biblical Studies (six hours in Old Testament and six hours in New Testament), and (3) finally students must complete twelve hours in Theological and Historical Studies—REL 331, 335, 341, and then a choice from the following REL 332, 336, 435.

## Music

### Recommended Course Sequence

#### B.A. with a Major in Music

The Bachelor of Arts degree in Music provides a broad, Christian, liberal arts education that combines academic study of music with a large number of electives, including a minor area of study. Students in the program may tailor their studies to suit a wide range of possible academic or professional goals. The major includes history, literature, and theoretical studies of music supported by a variety of applied music experiences, including private study and ensembles.

No grade below "C" in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** Major Applied Area (8 hrs.), Secondary Applied Area (2 hrs.), Music Ensembles (10 hrs. Primary 8 hours and Specialized 2 hours), Recital Hour 090 (7 semesters), MUS 205, 317; MUH 210 or 211 or 212 or 213, 370, 371; MUT 101, 103, 201, 203, 301, 303, and 6 hours of music electives, selected from any music course except applied music. In addition to the general education course requirements, 25 hours of non-music courses are required. These courses must include a minor outside of music unless they have a secondary major. All music majors are required to comply with the policies and procedures itemized in The Music Handbook.

## Psychology

Recommended Course Sequence

### B.A. with a Major in Psychology

The mission of the Psychology major at Anderson University is to provide students a foundational understanding of the science of psychology and its applications, in order to prepare them for their roles as citizens in the liberal arts tradition including graduate education in both research and applied programs or a career appropriate to a broad-based liberal arts education.

No grade below “C” in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** Preparation for the psychology major includes some additional courses outside of the major. These courses include Philosophy 101 and a second social science course beyond the one required in general education. In addition, Psychology 101 counts in the major and not in general education while Biology 150 and Chemistry 101 are designated as the science courses in general education for students majoring in psychology. Psychology majors are required to take a total of 42 semester hours of Psychology courses as follows: Psychology Core: PSY 101, 102, 190, 211, 350, 410, 498 and either 490 or 491 – 24 semester hours. Five additional Psychology electives must also be taken. PSY 490 or 491 will count as a general elective if not taken as a part of the core requirements.

## B.A. with a Major in Musical Theatre

The Musical Theatre Major provides training in musical theatre productions for aspiring actors, designers, directors, technicians, theatre managers, music and theatre teachers and church drama directors. Students in the major will be able to successfully perform and rehearse as a “triple threat” (actor/singer/dancer) in musical theatre, direct and/or produce musical theatre productions in education, church, community, military and professional settings, audition for professional work in musical theatre, identify basic music theory components, identify the history and components of American musical theatre, identify musical theatre repertoire, identify major influences in musical theatre, identify appropriate musical theatre productions for various audiences and venues, identify characters and themes from musical theatre repertoire and critique musical theatre productions.

No grade below “C” in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** Theatre majors take a specified required 49 hours of theatre courses plus 8 hours of theatre electives options: THE 203 Voice and Diction, THE 231 Stage Management, THE 402 Acting IV and THE 490 Advanced Topics Seminar. They are also required to take 15 hours of required courses from the music department. All musical theatre majors are required to comply with the policies and procedures itemized in the Theatre Handbook edition under which they entered or are graduating.

**Eight hours of the following courses must be taken as electives:** THE 231, THE 203, THE 402, THE 490 (may be taken twice).

## Theatre

### Recommended Course Sequence

#### B.A. with a Major in Theatre

The Theatre Major provides foundational training in theatrical productions for aspiring actors, designers, directors, technicians, theatre managers and church drama directors. Students in the major will understand, utilize and develop a level of mastery of fundamental theatrical skills, cultivate team-building and leadership skills, and achieve a level of confident independent expression in the theatrical medium. The major is intended to provide a broad foundation leading to professional work in the theatre (both artistic and administrative), advanced degree work in theatre or theatre in a faith-based environment.

No grade below "C" in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** Theatre Majors take a specified required forty-five hours of Theatre courses plus at least twelve hours of theatre elective options: THE 252 Musical Theatre Repertoire, THE 302 Acting II, THE 330 Theatre Management, THE 402 Acting IV, THE 490 Advanced Topics, THE 492 Senior Project or THE 495 Theatre Internship. All theatre majors are required to comply with the policies and procedures itemized in the Theatre Handbook edition under which they entered or are graduating.

**Four of the following six theatre courses must be taken as electives:** THE 252, THE 302, THE 330, THE 402, THE 490 (may be taken twice), THE 492, THE 495.

## Biology

### Recommended Course Sequence

#### B.S. with a Major in Biology

The Bachelor of Science degree in Biology prepares students for a variety of careers and professional occupations such as public service with federal, state and local natural resource and environmental agencies; consulting and manufacturing firms and educational institutions. The major is also a solid foundation for those wishing to pursue further training in medical, dental, veterinary or graduate school (see page 50). Students interested in pre-Medical studies must contact the Anderson University Pre-Medical Committee. The University currently has an articulation agreement for a Guaranteed Acceptance Program with the Virginia College of Osteopathic Medicine (VCOM). Detailed information about pre-Medical requirements and the aforementioned Agreement can be obtained from the Pre-Medical Committee.

## Mathematics

Recommended Course Sequence

### B.S. with a Major in Mathematics

The mission of the BS in Mathematics is to educate students in the traditional mathematical disciplines (e.g. calculus, discrete methods, probability and statistical theory and methods, linear programming, linear and abstract algebra, etc.) so that students will be prepared to 1) pursue a graduate degree, or 2) enter a career in mathematics. The BS in Mathematics is distinct from the BS in Secondary Education Mathematics in that the course of study requires a capstone course in which the student will apply mathematical knowledge in an independent research project. The Mathematics degree is designed for students with a strong commitment to applying mathematical knowledge in a career.

## Mathematics: Secondary Education

### Recommended Course Sequence

By employing the concept that the teacher is a builder of knowledge, values, and community, the mission of the Department of Secondary Education & K-12 Studies is to produce teacher candidates who possess a Christian commitment and are skilled in pedagogy, content knowledge, and adolescent development strategies. Graduates will also be equipped with classroom management skills that all secondary school teachers should know and be able to do as competent and effective professionals.

The mission of the BS in Mathematics: Secondary Education is to educate students in the traditional mathematical disciplines (e.g. calculus, discrete methods, probability and statistical theory and methods, linear programming, linear and abstract algebra, etc.) and instructional strategies and practices so that students will be better prepared to secure employment as a teacher in a secondary school. The BS in Mathematics: Secondary Education is distinct from the BS in Mathematics in that the course of study requires a significant number of education courses and student teaching. The Mathematics: Secondary Education degree is designed for students with a strong commitment to teaching in secondary schools.

## Physical Education

Recommended Course Sequence

### B.S. with a Major in Physical Education

Anderson University's physical education program seeks to prepare teacher candidates to conduct quality physical education programs in schools for students in grades PreK-12. The undergraduate objectives are designed to give focus to professional preparation in a Christian environment to aspiring teachers, preparing them to teach effectively in the motor, cognitive, affective, and health-related domains while meeting individual learning needs of all students. By majoring in physical education, students who also desire to teach and become athletic coaches will be more prepared to demonstrate the skills to manage practices, assess player and team performance, as well as teach the sport skills, tactics and strategies more effectively.

## Pre-Engineering

Recommended Course Sequence

**B.S. with a Major in Pre-Engineering**

The mission of the Pre-Engineering major at Anderson University is to provide students a foundational understanding of Engineering principles in order to prepare them for transfer to Clemson University, where they will complete their Engineering degree.

This major is a “3 +” (Dual-Degree) program in association with Clemson. Students will complete the requirements for three academic years at Anderson University, including the General Education courses, and will then transfer to Clemson for the remaining courses to satisfy the requirements for the Engineering major. Clemson recommends that the prospective student attend summer school at Clemson following the Junior year at AU. Upon completion of this program, the student will receive an engineering degree from Clemson and a Bachelor of Science in Pre-Engineering degree from AU.

Students participating in this program must complete a form entitled, “Intention to Pursue the Dual-Degree Program at Clemson University” and send it to the Associate Dean of Engineering in the College of Engineering at Clemson University. Formal application for admission to Clemson University should be made during the Fall semester of the third year at AU. Students completing the program should apply for graduation at both institutions.

The sequence below is suggested based on the general requirements of the Engineering degrees at Clemson. Students should consult the specific requirements of their chosen Engineering major at Clemson in order to determine the best course of study at Anderson University.

No grade below “C” in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** MAT 140 fulfills the General Education requirement for MAT. Other courses in this major beyond General Education are MAT 190, 240, 290, PHY 201, 202, CHE 111, 112, 113, 114, BIO 200, CIS 120, 202, EG 101, BUS 301 and a 200-level literature course. In addition, students must complete a Social Science Elective and a Social Science or Humanities Elective which meets Clemson’s General Education requirements.

Clemson’s Science and Technology Requirement is met through BIO 200.

Directed Electives include CHE 201/203, 202/204, CIS 203, MAT 108, 215, MGT 341. These are courses designed to prepare the students for particular Engineering majors at Clemson, but they are not required for all Engineering majors. Courses should be selected in consultation with the Clemson Engineering catalog.

Students who cannot enter AU with placement into MAT 140 may not be able to fulfill the AU coursework within 3 years.

Clemson’s Cross-Cultural Awareness Requirement can be met through the following courses: ANT 101, GEO 102, HIS 111, HIS 112, REL 330

Total Number of Semester Hours Required for the degree is determined by the Engineering degree offered through Clemson.

## Music Performance

### Bachelor of Music Degree

The Bachelor of Music degree is designed for students who primarily wish to focus their career on performance. Graduates may also seek graduate degrees or become private teachers. The program provides the best possible applied lessons, offers peripheral opportunities in performance, establishes teaching methods, and offers a strong music curriculum leading to advanced study.

### Music Performance: Keyboard or Instrumental

## Music Education

### Bachelor of Music Education Degree

The Bachelor of Music Education program is designed to prepare pre-service music students to become leaders in their chosen music profession specialty, by exemplifying excellence in teaching, musicianship, and professional disposition. The degree program is designed to prepare for certification to teach K-12 choral or instrumental music in South Carolina. The BME program also prepares students for continued study in graduate school or seminary, and professional service including private studio teaching and church music ministry.

## Music Education: Instrumental

### Recommended Course Sequence

No grade below “C” in a course required for the major or minor (including cognates and specified electives) will count toward satisfying that course requirement. This policy does not refer to general education requirements or elective courses.

**Course Requirements:** Applied Music – Principal Instrument: 12 hours; Secondary Instrument: 3 hours; Music Ensembles: 7 hours minimum of Primary Ensemble; Music Classes: MUS 090 (7 semesters), III, 205, 317, 417; MUT 101, 103, 201, 203, 301, 204 (or 2 hours of MUP 129-A); MUH 210 (or 211 or 212 or 213), 370, 371; MUR 300; Music Education: MUE 114, 115, 116, 117, 314, 416; Professional Education: EDU III, 206, 211, 295, 395B, 495 (or 496). All music majors are required to comply with the policies and procedures itemized in The Music Handbook. Additional degree requirements explained in The Music Handbook include the keyboard proficiency exam and junior recital. The Music Handbook is considered an extension of the college catalog.

## Business Administration - ACCEL

Course Requirements

### Bachelor of Business Administration

(120 hours)

**Mission Statement:** The Bachelor of Business Administration degree prepares graduates, in a non-traditional environment, with the basic tools necessary to achieve success in an ever-changing business environment. This is enhanced by a curriculum with challenging core courses in basic business knowledge and applications, enhanced by upper-level electives or concentration specific courses. The degree is designed to allow graduates to satisfy goals such as professional development, career advancement, personal growth, or job mobility.

**Requirements for Admission:** In order to be admitted, applicants must be classified as adult students and must have had a minimum of three years of significant full-time employment, that is, in a position normally considered to be a career-track managerial, supervisory, or other professional position requiring specialized skill and knowledge.

**Admission into program:** All BBA students are admitted initially as pre-business students. After successful completion of three core courses (ACC 202, ECO 211, MGT 341) and a fourth specialized course (BUS 230 for the BBA or CIS 203 for the BBA/CIS concentration or HCM 110 for the BBA/HCM concentration) with a minimum 2.5 GPA, students can apply for full acceptance into the major. Should a student receive transfer credit for one of the above courses, another Anderson University business course will be substituted.

## Early Childhood/Elementary Education - ACCEL

Course Requirements

### Bachelor of Science in Early Childhood/Elementary Education

(133 hours)

The Bachelor of Science Degree in Early Childhood/Elementary Education evening program is specifically designed for working adults who wish to become teachers and need the availability of evening classes to meet most of their educational needs. The curriculum includes an intensive course selection that will focus on teaching methods and techniques used in an early childhood/elementary setting. Included are such skills as managing the classroom, understanding diversity, working with the exceptional child, and creating a positive classroom environment. ACCEL EDU courses may be taken as part of pursuing the Bachelor of Science degree in Education or taken as individual courses to satisfy re-certification or add-on requirements. The University offers a five-term course rotation schedule so that all classes will be offered at least once over the course of one year. Some courses will be offered more than once. Once the individual has graduated and passed the required state exams, he/she will be certified to teach in an early childhood or elementary setting. The College of Education offers two education degree tracks in ACCEL. One can lead to teacher certification, and the other does not. Most students are in the certification track.

Students in the certification track can take all General Education and most Education courses as an ACCEL evening student, but during the last part of the program they must become a traditional day student in order to get the required 100 hours of field experience and the 65 days of student teaching. Before one may participate in the practicum class (EDU 443), they must have been accepted into the Teacher Education Program. This is accomplished by a specified procedure that is discussed in the education classes and is in printed form in the Teacher Education Program Handbook. The passage of all three parts of Praxis I (State mandated exam) must take place before one may apply to the Teacher Education Program.
