

HEALTH AND IMMUNIZATION FORM INSTRUCTIONS

Welcome to Anderson University! We are glad you have chosen AU to meet your higher education goals. According to University policy, a completed Health & Immunization Form is required of all students. We look forward to serving your health care needs while you are a student at AU.

The **Health and Immunization Form** contains valuable information including medical history, allergies and immunizations. This information enables us to provide you with the best possible care. Information provided will not affect admission but must be completed and on file in Health Services before classes begin. **Failure to meet this requirement may result in a hold on your account and a delay in your ability to register for classes.**

Information is strictly for use by Health Services and will not be released without the student's consent. Health records will be maintained for 5 years after a student has graduated or left the university. After that time the record will be destroyed in an approved manner.
